

Arts-In-Education Participant Form

On no more than three pages, using 12-point Times New Roman font and 3/4" margins, respond to the following in a narrative form incorporating the items below:

- 1) Description of program participant and program activity; one paragraph:
 - a. 2-3 sentences describing a person who participated in your program. Include: their age, gender, brief background, challenges, previous arts experience.
 - b. 2-3 sentences describing how this person participated in your program.
- 2) Program impact; one - two paragraphs:
 - a. Describe the impact of the program on the participant, how the student changed or what he or she learned as a result of the program.
 - b. Include a brief statement from the participant and/or from the teaching artist about their experience in the program.
- 3) Attach a picture of the participant's artwork, or a visual representation of the participant's activity in your program.
